

● **North Road Nature Preserve** (142 acres) has been developed to allow the best balance between visitor access to nature including animals, plants and other natural features. About three miles of single-track hiking/mountain bike trail has been developed by members of the Rust Belt Revival Trail Coalition, the Howland Wellness Committee, Girl Scouts Troop 598 and other volunteers. The trail can be used by hikers and off-road cyclists.

The park is located on North Road in Warren City/Howland Township between Market Street and US 422. Parking is available at a lot on the corner of Candlelight and Harvard Drives off of North Road.

FEATURES: • Nature Observation • Hiking • Walking
• Cross Country Skiing • Mountain Biking

Mahoning River Water Trail

Foster MetroPark

● **Eastlake MetroPark** (144 acres) is a partnership park with the City of Cortland which includes a parking lot, sled riding hill and a connector trail to the existing Turkey Run Trail. The property was leased from the Ohio Department of Natural Resources in conjunction with the Army Corp of Engineers.

The connector trail traverses from the parking lot to the north and connects in with a trail that leads to Turkey Run Trail.

The park is located on State Route 46 in the City of Cortland, north of Lake Vista Retirement Community.

PARKS OVERVIEW

TrumbullMetroParks.org

The Trumbull County MetroParks System

consists of seven parks open to the public and nine properties in various stages of development. The total area is more than 1,680 acres located in 13 of Trumbull County's 35 political subdivisions. Park hours are sunrise to sunset. For a complete set of rules for Trumbull County MetroParks please see our website at trumbullmetroparks.org.

● **Foster MetroPark (3 acres)** is the first available canoe launch site below the Lake Milton dam on the Mahoning River and is the first put-in and start of the Mahoning River Water Trail. The launch site provides excellent access to a nearly 14-mile stretch of the river between Foster Park and Canoe City (requiring a portage at the Newton Falls dam). The 3.3-acre Foster Park has picnic, parking and seasonal restroom facilities. It is a convenient rest stop along Ohio Bicycle Route J.

The park is located close to State Route 534 in Newton Township on Damascus Newton Falls Road, near the intersection of Pricetown Road.

FEATURES: • Canoeing/Kayaking • Nature Observation
• Fishing • Picnic Facilities

● **Canoe City MetroPark (13.25 acres)** is lined by the slow-moving waters of the Mahoning River and provides an excellent fishing and boating spot. This park is the designated pullout point before the Leavittsburg Dam and provides a launch and pullout site for the Mahoning River Water Trail. The park is 3.66 miles downstream from Thomas A. Swift MetroPark and 4.08 miles upstream from Burbank Park, the next pullout on the Mahoning River Water Trail. The park has a rich history with Regatta events being held in the 1920s.

Canoe City MetroPark is located on North Leavitt Road, less than a half mile from West Market Street in Leavittsburg. It is a convenient rest stop along Ohio Bicycle Route J.

FEATURES: • Canoeing/Kayaking • Walking • Fishing
• Nature Observation • Picnic Facilities

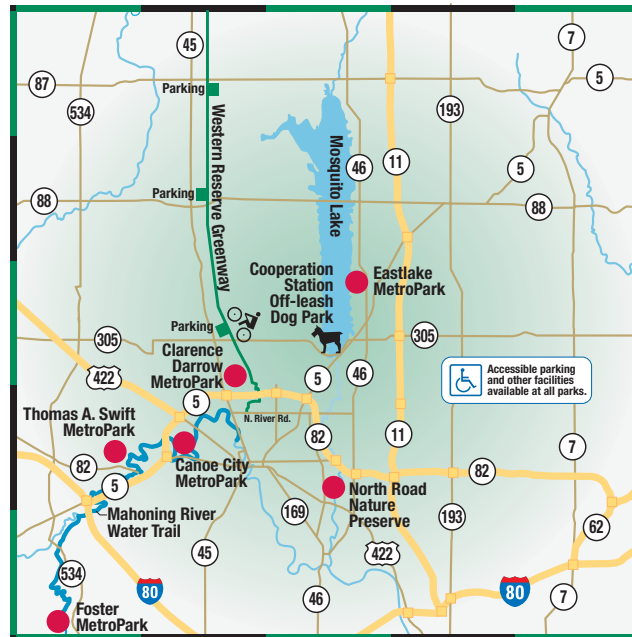

Canoe City MetroPark

● **Thomas A. Swift MetroPark (12 acres)** is lined by the slow moving waters of the Mahoning River and provides excellent fishing and nature observation opportunities along a half-mile walking path. This park provides a launch and pullout site for the Mahoning River Water Trail. The park is 3.66 miles upstream from Canoe City MetroPark and 4.08 miles downstream from Rotary Park on the Mahoning River Water Trail.

Located in Braceville Township about a mile from State Route 82 on Benedict Leavittsburg Road, Swift MetroPark was dedicated in 2006, to honor long-time MetroParks supporter, The Honorable Thomas A. Swift, former Trumbull County Probate Court Judge.

Portable restrooms are in the park from April through October. A picnic table and grill are near the parking area. A canoe-kayak launch allows non-motorized watercraft access to the Mahoning River Water Trail.

FEATURES: • Canoeing/Kayaking • Walking • Walking Trail
• Fishing • Nature Observation • Picnic Facilities

Cooperation Station Off-leash Dog Park

includes separate fenced areas for large and small dogs with water stations and beach access. The park is located at Mosquito Lake State Park on State Route 305. For more information please call the Mosquito State Park at 330-637-2856.

● **Mahoning River Water Trail (23 miles)** traverses through Trumbull County beginning in Newton Township at Foster MetroPark and ending at Packard Park in Warren. Flowing by forested groves, fields of corn and wheat, suburban streets, and beautiful wetland complexes, this trail is full of natural beauty as well as history.

Other points of interest along the trail include the Newton Falls Covered Bridge, the second oldest covered bridge in Ohio, and remnants of the Pennsylvania and Ohio Canal.

FEATURES: • Paddling • Fishing • Nature Observation

Western Reserve Greenway

● **Western Reserve Greenway (16.8 miles)** is a multipurpose, linear trail for pedestrians, bicycles and horseback riding. The Greenway utilizes the abandoned Penn Central 714 rail line and extends from Champion Street in the south to the Trumbull-Ashtabula County line in the north.

The Greenway runs parallel to State Route 45, approximately 3/4 mile to the east, and will be part of the Great Ohio Lake-to-River Greenway planned to run from Lake Erie to the Ohio River through four Ohio counties. Two trailheads named for 18th and 19th century communities—Sunside Trailhead at SR 305 in Champion Township and Oakfield Trailhead at Hyde-Oakfield Road in Bristol Township—provide parking, restrooms and picnic facilities.

FEATURES: • Biking • Cross Country Skiing • Walking
• Rollerblading • Nature Observation
• Horseback Riding • Picnic Facilities

● **Clarence Darrow MetroPark (32 acres)** is the home of Young's Run Disc Golf Course. The disc (or Frisbee) course is free to the public. Events are held regularly on the challenging 18-hole permanent course.

The park also offers a pavilion, which seats up to 75 people, that can be reserved on a first-come, first-served basis. There is walking access through a majority of the park. It has a diversity of wildlife and various natural habitats for observation.

The park is located on Educational Highway in Champion Township across from the Kent State University Trumbull Campus.

FEATURES: • Nature Observation • Disc Golf • Walking
• Cross Country Skiing • Sledding • Pavilion
