World Of Wildlife Bicycle Tour 2017

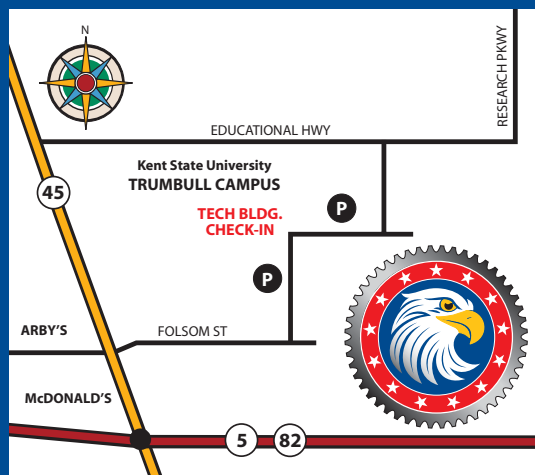

Saturday, June 10, 2017 Western Reserve Greenway

The 13th annual World Of Wildlife Bicycle Tour

features the Western Reserve Greenway in Northeast Ohio's Trumbull and Ashtabula counties. Choose to bike 20, 40 or 68 miles or any distance you like. Except for the first and last miles on public roads – and a three-tenths mile detour due to a bridge closing north of the Oakfield Trailhead rest stop – WOW 2017 will use the Western Reserve Greenway, an asphalt-paved, dedicated bike trail. The out-and-back ride will occur rain or shine.

The Western Reserve Greenway passes through large sections of premier wetlands, home to much wildlife and many species of rare and endangered plant life. You might even catch a glimpse of this year's mascot, the bald eagle. Riders will also pass through the Mosquito Lake Wildlife Area where an observation deck has been erected by the Ohio Department of Natural Resources.

WOW 2017 is a supported ride, with two refreshment stops on or near the Greenway and pizza and other refreshments at the conclusion of the ride. Greenway Bike Patrol members and other volunteers will provide on-the-trail assistance. Rest stop locations will be posted at registration.

Check-in for the tour is at the Trumbull Campus of Kent State University located at 4314 Mahoning Ave., NW, in Warren, Ohio, from 7:30 to 10 a.m. on June 10, 2017.

The WOW Planning Committee is sponsoring a raffle of items donated by Bike Nashbar and other area merchants. Tickets will be sold the day of the ride in the check-in/registration area. Winners will pick up their prizes upon returning from the ride.

CALL FOR COOKIES – Those who donate homemade cookies for refreshment stops will receive a complimentary raffle ticket – one for each dozen. Please bring cookies to the registration area.

NEW THIS YEAR – Online registration is available through Eventbrite. Use the link on the WOW 2017 webpage: <http://trumbullmetroparks.org/parks-and-trails/wow-bicycle-ride>. The registrant is responsible for any additional fees. Mail-in registration remains an option.

Proceeds of WOW 2017 benefit the Trumbull County portion of the Western Reserve Greenway. Past rides have funded the pavilion materials at the Oakfield Trailhead, 2012 trail sealing and other projects. More than \$76,000 has been raised since the first WOW Ride. Any proceeds from 2017 will be donated to Trumbull County MetroParks toward the local match needed to fund Phase 4 of the Greenway, the link between Warren and Niles.

The registration deadline for WOW 2017 is May 23, 2017. The cost is \$20 per rider, if the registration form is postmarked by May 23, 2017. The cost is \$25 per rider including a commemorative T-shirt, if the registration form is postmarked by the deadline. For registrations received after the deadline and on the day of the ride, the cost is \$25 per rider, **without T-shirt**. Children under ten years of age accompanied by a registered parent/guardian may ride WOW 2017 at no charge.

Limited quantities and sizes of the WOW 2017 T-shirt will be available for \$12 each at the registration area; some shirts from previous rides may also be available.

HELMETS REQUIRED — Each WOW 2017 participant is required to wear a CPSC approved bicycle helmet while on the route.
